

HACIENDA RECREATIONAL CLUB  
TENNIS COURT RULES

All members of the Hacienda Recreational Club (HRC) and/or their guests wishing to use the HRC tennis court facility shall observe all posted signs and adhere to the following rules. Any infractions should be reported to a member of the current Board of Directors.

1.     **ADMITTANCE TO THE COURT:** Members and their guests may use the court. Non-members may not use your key. No delegation of membership rights to persons not residing in your home.
  
2.     **SIGN-IN AND RESERVATIONS:** Always sign in before using the tennis court. Using the sign in book provided, indicate the Date, Key#, Time in/out, and name of member. Time limitations are: (a) Doubles - 2 hours (b) Singles - 1 ½ hours and (c) single practice - 30 minutes (unless no one is waiting to use the court).

Reservations for court time shall not be made earlier than 72 hours before the desired play time. Successive reservations with the same players are not allowed.

3.     **SAFETY RULES:** There shall be no more than four people on the playing surface. A maximum of four players may wait inside the court area, but may be asked to wait outside at the discretion of those playing.

Children under 14 shall not enter the court area unless accompanied by an adult willing to accept responsibility for their behavior and safety, and then only as players, unless the child has received approval from the Board of Directors to do so.

Indicate on the sign-in sheet if all players will be Juniors (under 18 years of age).

4.     Members arriving while court is in use can sign the roster without indicating the time. This signature will establish the next player's priority. So that waiting players may leave and return when the players on the court have finished without losing their priority. When such members begin play, the starting time must be noted.
